Autumn 2017

What an amazing night we had on Wednesday. Congratulations to our Year 5s who put on a wonderfully creative and confident performance of 'A Midsummer Night's Dream' and also an accomplished and polished performance of 'The Tempest'. We know that a project like this takes a huge amount of work but seeing the excitement and watching our children shine makes it all worth it. Not only did they perform as individuals but watching them support and encourage each other was a delight. It's what I believe primary education should be about—enabling children to challenge themselves and expanding their life experience.

Well done everyone, you were truly amazing!

Year three have been enjoying an exciting start to their new topic 'Volcanoes' by visiting the Sedgwick Museum in Cambridge. Whilst there they got to see and touch a range of different rocks including a piece of limestone taken from the top of Mount Everest. In school they have been building and erupting their own volcanoes as part of a WOW day.

All profits go to the school.

As part of our community week, we took part in Addenbrooke's Charitable Trust challenge 'Stepping Out' in which we held a sponsored run/hop/walk measuring our success with pedometers. In total, we managed to raise an incredible **£789!** Thank you to everyone who kindly helped to raise such an impressive total for an important cause in our community. It has been wonderful to see many of the children still wearing their pedometers and challenging themselves to improve their daily steps!

Key Stage 1 Christmas Performance

Christmas is coming, and as that special time of year approaches, we, along with most other primary schools the length and breadth of the land, are busy preparing for the Christmas performance!

We are so busy, in fact, that we are asking for some extra help from one or two willing volunteers: 'Ticket Elves' if you like! We need help with the crucial box office job of ensuring that ticket allocations are made fairly and within a reasonable timescale. Full training will be given and there may even be a cup of tea and possibly a biscuit involved (but don't get your hopes up for the biscuit!).

If you are ready to be part of the team that brings magic to Christmas at Morley and can spare a few hours to help, please contact Isla Lunan in the School Office.
