

Morley Memorial Primary School

Sports Premium Plan 2017-2018

At Morley we are committed to offering a broad and balanced curriculum which encourages children to develop as independent, motivated and resilient learners. As part of that commitment we want to ensure we do our best to equip children with the knowledge, skills and motivation to lead healthy active lives and offer a range of opportunities which nurture interests and talents and hopefully sow the seeds for lifelong participation in physical activity and sport.

The aim of the Sports Premium Plan is to allow us to specifically target the use of the Sports Premium on activities which enable us to achieve our vision in a way that is sustainable benefiting both pupils today and in the years to come. In order to ensure sustainability we commit an element of the premium to developing facilities. This year we plan an upgrade to outdoor play facilities and also resurfacing of the tennis court area to provide a better surface for PE and sports. In a further test of sustainability we will not be using the sports premium to fund the lunchtime sports coach provision but have planned to fund this aspect from the general school budget.

Pupil Premium Allocation 2017-2018

This year the allocation has been increased to £16,000 plus £10 per eligible pupil. The school receives PE and sport premium for all pupils in Y1-6. This will equate to **£19,410** (7/12 of the funding allocation in October 2017 **and** 5/12 of the funding allocation on April 2018)
