

Newsletter Week 44

Summer 2018

It was lovely to see so many of you at our KS2 Sports Day and also at Open Evening this week. I hope that you have enjoyed having the chance to come into school and see all of the lovely creative projects which have been running throughout the year and celebrate all the things your child has achieved.

This week our Y6 received their SATs test results and I am delighted to report that once again pupils at Morley have achieved above average results in Reading, Writing and Maths at KS2. Well done everyone! Results for KS1 and also Phonics in Year1 are also above national average.

Thank you to everyone who has contributed time or items for our summer fete on Saturday the sun is set to shine and we hope to see you all there.

Nikki Brown

PLEASE RETURN YOUR LIBRARY BOOKS ON MONDAY.

We are missing a lot of books including most of our new books. (hopefully it means lots of reading is happening!) We need to have them all returned by next Tuesday.

You can keep up with reading over the summer with the [library reading challenge](#) but we need you to return your school library books please.

Year 5 had a very busy Wednesday this week as they ran their annual fete. They planned their stalls entirely on their own and rose magnificently to the challenge of bustling about on the day. We're still counting money but they raised lots to go towards to go towards the Shakespeare in Schools fund for next year. Well done Year 5 you should be really proud of yourselves !

Parent survey 2018.

The [Parent Survey](#) is one of the most important ways that the Governing Body and school leadership get feedback about on how well we're doing and your child's experience of being at Morley. Every year we get lots of useful feedback that helps us make the school even better. This year there are a couple of extra questions about our extended services (breakfast club, after-school club, holiday club).

The survey should only take five minutes to complete. Please take the time to let us have your feedback. <https://www.surveymonkey.co.uk/r/SVCNCB5>

Half of Year 5 have been doing weekly visits to Coleridge with the aim of making a wooden pull along toy for the past month or so. We went to our final session this week. The results are amazing!

CLASS OF THE WEEK

This class have been working with resources this week to help them understand more about capacity and volume, they have been applying this knowledge to the world around them.

We have shown team-work and determination during our Sports Day, overcoming the challenges of the sack race and the obstacle course.

This class have worked hard to use all the writing skills they have learned over the last few weeks to create persuasive advertisements to display around the school. They have also used their maths skills to balance budgets and consider purchases – all of which was allowed them to put on an exciting fair full of games and activities and raising money for the school.

Their teacher is very proud of how much they have grown over the last year and is looking forward to one last week teaching them. Class of the week this week is...Indigo!

Well done to the following children who have impressed their teachers this week:

Crimson: Lily
Scarlet: Evelyn Reuben Stellan
Topaz: Eva Isaac
Turquoise: Vikram Max
Sapphire: Nimrod Daniel
Burgundy: Edward Rosie
Ruby: George BD Jayden
Indigo: Sam
Jade: Benjamin P
Violet: Gabi Zeph
Lilac: Izzy C

14th July FOM Summer Fete
17th July Early years picnic
18th July Year 6 leavers Performance
19th July year 6 visit Coleridge park am
