

## Newsletter Week 4

Autumn 2018

This week Year 6 have visited Duxford, and Madingley War Memorial as part of their study of World War 2, and Year 2 are spending the day in London finding out all about the Great Fire of London. Learning outside of the classroom is an important aspect of our curriculum and one which our children tell us brings the learning to life for them. Thank you to all of the staff who have put in the extra hours to organise these events as well as to all of the volunteers giving up their time to deliver these experiences. Our children really do appreciate it.

Trips are fully funded by parental contribution—without your voluntary donations we cannot run these trips so thank you to all of the parents who have contributed. If you feel you are unable to contribute please come and speak to Ms Kowalska in advance.

Today I will be in London along with headteachers from across Cambridgeshire and beyond to draw attention to the impact that inadequate funding is having on our children. What you receive for your education should not be based on your post-code as it is currently. There is no logic to this inequality and I will continue to voice those concerns which I know are also shared by many parents in Cambridgeshire, until we see some change. Our pupils and families deserve better.

Nikki Brown

### Friends of Morley social and AGM

Please come along to the Friends of Morley social and Annual General Meeting (AGM) at Balzanos on **Monday 1st October at 8.00pm**. There will be drinks, nibbles and the opportunity to meet and mingle with other parents.

### Class parents

Thank you to everyone who has already volunteered to be a class parent this year. There are still a few gaps across all year groups, in particular Ruby (yr2), Turquoise (yr3), Sapphire (yr4) and both year 6 classes. If you're interested please get in touch via [friendsofmorley@gmail.com](mailto:friendsofmorley@gmail.com) or speak to Emma Linney at the Friends of Morley social/AGM on Monday.

Class parents get together a contact list for the class, and welcome new parents when they join the school. They also provide a link between the class teacher and parents, and between the Friends of Morley and parents. There isn't a huge time commitment but it is an important role that helps improve communication within the school community! Please get in touch if you'd like more information.

A car was witnessed hitting another car repeatedly whilst parking on Baldock Way, causing damage to the bumper. Details of the vehicle were taken and have been passed to the owner but please take care when parking, driving or cycling by our school.

## Class of the Week

This class has demonstrated superb focus this week. They have persevered with some tricky maths and have been building their pace, calculating quickly and accurately. They have been developing their editing skills and learning how to give more effective feedback to each other. It has been great to see this class politely and respectfully guiding each other to improve. They were well-mannered and focussed on their trip, asking thoughtful questions and demonstrating a mature and reflective attitude to our topic. Their teacher was proud of their behaviour and their excellent documentaries.

Class of the Week this week is Lilac class!

## Bags 2School

Friends of Morley (FOM) will be raising funds for the school with another [Bags 2 School](#) collection on Wednesday 7th November so please do sort through those unwanted clothes and help raise funds!

Bags to put your donations in will be sent home nearer the time.

*This week we are celebrating the achievements of the following children -*

<i>Amelia</i>	<i>Scarlet class</i>
<i>Jacob</i>	<i>Crimson class</i>
<i>Kinu</i>	<i>Jade class</i>
<i>Max S</i>	<i>Sapphire class</i>
<i>Noah &amp; Selma</i>	<i>Amethyst class</i>
<i>Ofir</i>	<i>Indigo class</i>
<i>Kai</i>	<i>Violet class</i>
