

## Newsletter Week 42

Summer 2019

Thank you to everyone who turned out to cheer the children on at the KS1 and KS2 Sports Days. We were blessed with great weather for both events and the children all enjoyed the opportunity to have a go at the challenges as well as encouraging and motivating their team mates. Don't forget Early Years Sports Day next week. Details of the winners will be in next week's newsletter.

Breadth and balance in our curriculum is of huge importance to us and really at the heart of what we do. We have exciting news on our Arts provision which we will be sharing with you at the Open Evening!

Thank you also to Friends of Morley who organised another highly successful Summer Fete on Saturday. It was great to see so many of you there having fun and also taking part in the talent show. What an amazing array of talent.

### Summer Fete

The sun shone, the sausages sizzled and the kids ran around like crazy things - Saturday's summer fete was a huge success. As well as being lots of fun, we are delighted to announce that the event made almost £6,000 for the school - a staggering amount that will be used to transform the library. To everyone who bought and sold raffle tickets, donated items for class boxes, baked cakes, made salads, donated prizes, helped run a stall, or came along and helped to create such a wonderful atmosphere - thank you! And special thanks to all the children who took part in Morley's Got Talent. We had comedians, magicians, singers, musicians (piano, flute, violin, drums, ukelele), actors, gymnasts and dancers. The acts were brilliant! We wish you all a wonderful summer, The Friends of Morley team.

## Morley 'Rebels' take top prize

Well done to the two Year 5 Quiz Teams who attended the inter-schools quiz event and took home both first and second place! Both teams demonstrated an excellent general knowledge to take them to the top of the leader board with 'Morley Rebels' Ned, Natalie, Rachel and Toby claiming first place. This means we retain the trophy for another year. Well done everyone. Further details on the story can be found in the [Cambridge Independent](#)

## Year 6 Induction Days

Parents of Year 6 children, please check the website of your child's secondary school to find out the date of their induction day. The secondary school induction days for Netherhall and the schools in the Parkside Federation (Coleridge, Parkside, Trumpington) take place on Monday 1st July.

### **Save the Date - Thursday 18th July**

We have been busy in Year 6 writing a script for our end of year performance. We are beginning rehearsals and are looking forward to performing to parents at 6.30pm on Thursday 18th July so please save the date!

## **Governor Vacancy**

Could you give some time to support the work of our school by becoming a **school governor**?

We have an unfilled vacancy for a parent governor on our Governing Body. As we had no applications last half term I will be sending out forms and information again in the hope that we get some interest from anyone who may have missed it the first time around.

If you would like to know more about the role before applying, we can arrange for either myself or a governor to have an informal chat about what being a governor entails.

*This week we are celebrating the achievements of  
the following children -*

Crimson class - Katherine	Scarlet class— Elsie M
Ruby class— Yasmin	Burgundy— Emily
Topaz—Amaya	Turquoise—Mattie
Jade class— Noah	Sapphire class— Sophia W & Jacob
Amethyst class— Luka	Indigo— Joseph
Violet class— Kai	Lilac class— Arbresh

### **Class of the Week**

This class has had a very sunny and successful week. When reflecting back over the year, *every* child has achieved something they should be extremely proud of. As well as racing through data and shape in maths, they have improved their descriptive writing in Literacy, performed their own play scripts and in Science they've been electric! However, I am most pleased with their enthusiasm and support for one another on Sports Day and their effort to get along in the playground.

Well done Sapphire class!
