

Thank you to **Hilary Toulmin** and **Graham James** who both kindly stepped forward for the parent governor vacancy with two fantastic applications. You should have received your ballot papers this week—please don't forget to return them by Monday morning. We will announce the results by the end of term.

Well done to Year 6 who put on a magnificent performance of *Odysseus* last night—only at Morley do you get Greek Myths, Bonnie Tyler and Elton John in one magical evening of entertainment. Thank you also to all of the families who turned up to celebrate this wonderful end of year event.

I know it feels like the end of term but we do still have 3 more days next week!

Nikki Brown

### Have you filled in the Parent Survey yet?

Please take a few minutes to complete the parent survey. This is one of the most important and useful ways that we gather feedback on how well the school is performing and on your child's experience of being at Morley Memorial.

You should fill in a separate survey for every child you have at the school.

Click [here](#) to open the survey

## Year 5 Enterprise fair

Many thanks to all of the parents who provided money for their children to come to the Year 5 Fair yesterday. A lot of fun was had by both the year 5 children and those who joined in games. More importantly, the children raised £120 towards funding the Shakespeare For Schools project and 10% being donated to Just One Ocean, a UK conservation charity raising awareness of, among other things, plastic pollution in the world seas - something Year 5 have been researching lately.

Year 5 Team

## 'Brilliant Makers' at Morley

Well done to our Year 3 and 4 children who took part in 'Brilliant Makers'. This club focused on model-making skills, learning how to strengthen and join different materials to produce some fantastic model animals.

Our project this term has been based on Robert Macfarlane's illustrated book *The Lost Words*. The children chose an animal or reptile featured in the book and built armatures over several sessions using willow withies, wire and various scrap materials. They then covered the armatures in Modroc before painting and decorating them.

We have been featured on the 'AccessArt' website – check out the link below <https://www.accessart.org.uk/see-the-brilliant-makers-clubs/>

Thank you also to Mr Hanson and Ms Dalby who gave up their time to run the Brilliant makers sessions after school.

*This week we are celebrating the achievements of  
the following children -*

Silver—Kaelyan	Gold— Happiness
Crimson class - George	Scarlet class— Iris & Aimee
Ruby class— Yara	Burgundy— Bea
Topaz—Theo	Turquoise—Ruairi
Jade class— Felix	Sapphire class— Susanna
Amethyst class— Maya, Tayiba & Selma	Indigo— Clara
Violet class— Louisa	Lilac class— Amalija

### **Class of the Week**

These classes have impressed their teacher with their ability to learn and retain lots of information.

They have collaborated well with each other in our work over the past few weeks, even if they have found the work hard and frustrating at times.

These classes have shown their musical ability with not just their instruments but also their voices.

All this hard work culminated in a fantastic performance that was loved by their parents and their teachers alike.

Although they will be leaving us soon, the performance of Odysseus showed how much they've grown over the past year.

**The classes of the week this week are...Violet & Lilac!**

**Wednesday 24th July—last day of the summer term**

**Wednesday 4th September—Autumn term begins**

**Wednesday 11th September— Swimming begins for Year 4**

**Dates for  
your  
diary.....**
