**This is just about the coolest thing you can do for your children.**

**They'll love keeping active, having fun and learning new skills with our before school, lunch time and after school clubs!**

The NHS requires children to have 60 minutes of physical activity per day to stay healthy. With Premier, they can do this by taking part in a range of sport, arts and wellbeing activities!

**Benefits for your child:**

- Try new activities and make new friends
- Learn transferable skills for the future
- Stay focused & alert for their lessons
- Develop confidence, creativity and self-esteem

**Most importantly, they'll have so much fun!**

All of our Activity Professionals maintain links to local clubs and associations, giving children a route to develop and diversify their skills.

Identifying the stars of the future can enable them to get the right support and encouragement at an early age.

**Don't delay, book today.**
