

## Newsletter Week 22

Spring 2020

We continue to have some issues with cycle and scooter parking at the front of the school. **The hoops at the front of the school are only for use by children staying for after school clubs.** All other children's bicycles should be parked in the cycle park in the rear playground.

Please note we cannot accommodate parking of any parent bikes including bikes with carriers on the school premises. If you wish to leave your bike after dropping off your child please find alternative parking. I understand it may not be convenient but we have to prioritise parking for children's bikes. Your co-operation is appreciated.

### Anglo Saxon Trip to West Stow

We had so much fun learning about the Anglo Saxons at West Stow! We experienced telling our own Anglo Saxon stories in Anglo Saxon houses and thought deeply about our historical question: Are the Anglo Saxons blood thirsty invaders or peaceful settlers? We definitely made Morley proud: the staff at West Stow said they've never had such thoughtful and knowledgeable questions. After looking at loads of primary sources of historical information, we've all got our own opinions about the Anglo Saxons, which we'll share in our future topic lessons!

A big thanks to the excellent staff at West Stow and our parent helpers.

## British Science Week 2020

### Our Diverse Planet

6-15 March  
British  
Science  
Week  
2020

Throughout the week beginning **9th March** children will be taking part in class and whole school investigations based around the theme 'Our Diverse Planet'. In previous years we have had some fantastic workshops delivered by our wider school community (including parents, grandparents and siblings) We would very much like to repeat this again in 2020. So if you would like to get involved - for example talking about your field of scientific work or carrying out a science investigation then please email the office (putting Science week in the subject title) with your suggestions!

Also look out for the experiment that all children will be coming home with...

Many thanks,  
Mrs Kamanyire
