Thank you for taking the time to complete this information. The booklet and the discussion we have at the home-school visit help us to help your child settle in quickly to the new routines of the Reception year at Morley Memorial. Your involvement as your child's first educator is very important, and we aim to make the home-school relationship positive and supportive. If you have any particular concerns please let us know.

Make a note of any questions you have and we will do our best to discuss them at the Home Visit.
