Autumn 2019

Year 5's have been working hard for their upcoming performances of *Midsummer Night's Dream* and *The Tempest*. This exciting project requires the children to gain an in-depth knowledge of a challenging Shakespearean text as well as create an engaging theatrical performance. They are in the final stages of rehearsal as the performance date of 13th November approaches. This year's production is being staged rather fittingly at the Peter Hall Theatre—named after the founder of the Royal Shakespeare Company. I am sure he'd be delighted to know that our Year 5's have had the wonderful opportunity to form their own 'Shakespeare Company'. I look forward to seeing Year 5 parents at the performance.
