

FRIENDS OF MORLEY

Who are we? Friends of Morley (FoM) is a registered charity run by a group of parents to support the school and its community. We do this by organising events, developing relationships between staff and parents and by raising money to enable the purchase of additional resources.

How to get involved

Come along to a Friends of Morley meeting, held once or twice each term, depending on the schedule of events being organised. We welcome any contribution, so please look out for details of our next meeting or social event. We use the ClassList App to keep in touch. It's a great way to stay connected with other parents – perhaps to organise a playdate for your child – and to keep updated with school events. See the ClassList flyer for more details and sign up now! You can also email us to express your interest via friendsofmorley@gmail.com.

Main events diary

Activity/Event	Date

Autumn term!

Friends of Morley social and AGM
Monday 4 October 2021, 7.30pm

New Families Welcome Picnic
Usually held in the first few weeks of the autumn term. Look out for details on ClassList!

Class Parents

Friends of Morley runs a class parent system at the school. Class parents help to create strong links across the school community.

They have four main roles:

- To encourage parents/carers from each class to sign up to ClassList at the start of term.
- To welcome families who join mid-year.
- To provide a link between class teachers and parents (useful for organising rotas for parent helpers in the class, donating materials and talents for class projects, or for finding helpers to go on class trips).
- To be a link between Friends of Morley and parents (helpful for spreading the work load for some of the school social and fund raising events, or for more general communication).

Class parents are supported by the FoM class parent co-ordinator, Rebecca Sims Williams. For more information or to get involved she can be contacted via friendsofmorley@gmail.com.

If you want to get involved, contact us at friendsofmorley@gmail.com or via **ClassList** (see **ClassList flyer to sign up**). We are always keen for new ideas and welcome everyone, with whatever amount of time you have to offer!
